Design: Andrew Belschner and Joseph Vincent

Elegant, without making a dramatic design statement, this chair adapts extremely well to any interior. Designed a little lower, and more relaxed, the chair is used extensively in hospitality spaces such as restaurants, bars and executive lounges; it is also very appropriate for guest seating in executive offices.

Frame:
Hardwood construction, webbed suspension.

Seat and Back:
Molded soft polyurethane foam and soft dacron. Upholstered in leather or fabric.

Legs:
Solid maple legs available in standard Nienkämper stains, ebonized or natural.
