**Vox® Lectern**
Design: Mark Müller

The Vox® Lectern is designed to complement the Vox® Collection and includes a Facet edge and aluminum trim. The lectern is available in standard Nienkämper wood veneers and stains. Vertical legs, screen and Vox® Forum are available in anodized aluminum finishes: Clear, Champagne, Light Bronze, Bronze or Black.

**Vox® Speaker’s Lectern:**
The front and user side have a Facet edge, with self edges on the sides. Two fluted aluminum Vox® legs with flex panel on the front of the lectern conceal all internal wires.

**Vox® Presenter’s Lectern:**
The Vox® Presenter’s Lectern is pre-wired for a microphone. A pull-out shelf accommodates a laptop computer or projector. The lectern also includes a Vox® Forum, which can provide connections for enhanced electronic presentations, and a storage area with push-latches on the doors.

The Vox® Presenter’s Lectern has an aluminum screen to conceal the lectern work area. An aluminum microphone grommet (Model 23413) is pre-wired at top and floor level to a XLR jack for easy microphone hook-up.

**Special Features:**
- adjustable reading light
- a 1⅛” aluminum grommet for additional wires on work top
- aluminum paper stop
- 1 fixed shelf 8” below user side of work top
- foot rest
- 4¼” dia. non-marking wheels for mobility
- grommets, pencil holder/paper stop are standard and finished in clear anodized aluminum only
