Tuxedo Classic™
Design: Nienkämper

Begin with a strong, simple theme. Then compose a series of beautiful variations. That's the thinking behind the Tuxedo Classic collection. In plain or tufted upholstery Tuxedo Classic harmonizes with many types of public spaces and strikes precisely the right note in private areas. While the high-arm version best exemplifies the Tuxedo tradition, a low-arm alternative compellingly extends the range of this collection.

With its simple, clean lines, Tuxedo Classic is a seating collection that makes a strong statement of refinement and stability in any public space, including corporate lobbies and executive lounges. The collection offers a low-arm version that is an alternative to the traditional Tuxedo style, and two styles of upholstery: plain and tufted. The chair can be upholstered in fabric, leather, vinyl, or a combination.

The straight back allows the furniture to be placed very close to the wall, making this collection ideal for public spaces. Tuxedo seating has been used in executive lounges and first class lounges in airports, and is also suitable for seating in private offices.

Frame:

The frame is a plywood/hardwood construction with webbed suspension.

Seat and Back:

Seat cushions are cut soft polyurethane foam core wrapped in Fortrel®.

When COM is lightweight a welting detail is added to the perimeter of the seat and back cushions.

Base:

The square tubular legs are made of cast aluminum and available in a brushed or polished finish.
