 PLATE 2: 7V-single module blank faceplate.
 PLATE 3: 1E - Pre-wired single module faceplate with 2 Amp cat 6 data; with 10 ft. cord.
 Forum list price \$1,830 included in the list price of Lectern.

The Vox Presenter's Lectern is priced with a pre-wired M-series Forum, Model M1, which has 3 modular plates that can be replaced should the client's power/data requirements change at a later date. Forum details and alternate plate options are described on pages 208-213, and can be viewed on the Vox Forum Configurator on our web site: www.nienkamper.com

Lecterns specified with aluminum screens can be ordered with a vinyl art of corporate logos applied. A digital image of the logo must be provided. Add \$650 list (one color logo only) to the lectern for this option.

The enhanced features on the Vox® Presenter's Lectern facilitate electronic presentations; it is pre-wired for a microphone, and has a pull-out shelf that accommodates a laptop computer or projector.

The lectern also includes a Vox Forum providing voice/data/power connections for enhanced presentations (see details and images at left) and a storage cabinet.

Vertical legs, screen, grommets, and forum are available in aluminum finishes (see page 12).

The Vox Presenter's Lectern work top is 35¹/₂" W x 27¹/₂" D, providing a work area of 30" W x 17" D.

The work top has an 8° slope and is 43" high on the user side. The Facet edge is on the front and user side, with self-edges on the sides.

The two fluted aluminum Vox legs with flex panel on the front of the lectern conceal all internal wires.

Standard Features:

- aluminum screen to conceal lectern work area
- adjustable reading light
- a 1⁵/₈" aluminum grommet for additional wires on work top (Model #23416)
- aluminum microphone grommet (Model # 23413) pre-wired at top and floor level to an XLR jack for easy microphone hook-up
- aluminum paper stop (clear aluminum only)
- 14" wide accessory shelf slides out 17¹/₂" on user's right hand side, includes wire access cut-out for equipment wires
- two doors for storage with push-latches and lock, interior dimensions 25" W x 13¹/₂" D x 17¹/₂" H
- Forum for easy user plug-in mounted into lower shelf surface of cabinet, Model M1 - 3P-7V-1E See layout on the left
- foot rest
- 4⁵/₈" dia. non-marking wheels for mobility
- The front flex panel is available with either standard flat-cut grain, or Herringbone veneer pattern. Specify clearly when ordering.
